

Harvel Electric

Sogo by Splash Instant Water Heater Geyser 6
Liters Imported - Natural Gas Geyser - 6 Ltr

Brand:Sogo

Product Details:

- 1) Provides endless on-demand hot water: Dextro water heaters constantly monitor water temperatures and the controlled flow rates ensure efficiency and consistent performance within 1 degree of selected temperature.
- 2) Saves space: Dextro heaters are 90% smaller than any traditional tank heater. Install them on a wall or any other usage point in the house and save tons of precious space! Dimensions: 23.5 x 7.5 x 14.5 inches.
- 3) Saves energy: These premium water heaters are built for efficiency and use 80% less energy than traditional heaters.
- 4) Friendly for the environment: Dextro water heaters are 99% thermal energy efficient and only heat water when needed, unlike traditional tank heaters that maintain water temperature even when not in use.
- 5) Ideal for every location: These compact water heaters are ideal for providing hot water anywhere from a bathroom to a small sink, an office breakroom, or any other points of use.
